Links to non periodical content
ProQuest Medical Databases

Links to non periodical content for ProQuest Medical databases:

(ProQuest Central, ProQuest Nursing & Allied Health Source and Proquest Hospital Collection)

Those links will take you directly to the non periodical content of the above databases. Please feel free to add them to your catalogue or website.

In order to create links for non periodical content, use this document in conjunction with the find and replace feature in Word.

Search for XXXXX
Replace with your account ID number.

This number appears in the url when you are logged in to the new ProQuest platform and would look like this: http://search.proquest.com/abicomplete/topicpaths/nursingl/5?accountid=XXXXX

(Note that XXXXX will be replaced by numerals, and those will not necessarily be 5 digits long)

Cultural Competency:

Cultural awareness is crucial to providing quality health care, and our newly added content from CultureVision provides an outstanding set of cultural reports that lead to a better understanding of patient care. Covering over 30 ethnicities and 11 religions, CultureVision reports deliver invaluable resources for the diagnosis and treatment of patients with respect to their beliefs and practices.

Video Training:

Training videos are valuable for nursing programs looking to enhance student learning, and ProQuest Nursing & Allied Health Source truly delivers with powerful videos. These videos cover important topics such as health care safety, emergency planning, checking vital signs and many more. Videos are available in flash format, and are broken down into chaptered clips for easy study. Videos are well indexed for reliable search results and can be viewed in document view or downloaded to your desktop for reference.
